

Subpart A—General Provisions

§ 803.1 Introduction.

(a) This part establishes the scope and procedures for review and approval of projects under Section 3.10 of the Susquehanna River Basin Compact, Public Law 91-575, 84 Stat. 1509 et seq., (the compact) and establishes special standards under Section 3.4 (2) of the compact governing water withdrawals and the consumptive use of water. The special standards established pursuant to Section 3.4 (2) shall be applicable to all water withdrawals and consumptive uses in accordance with the terms of those standards, irrespective of whether such withdrawals and uses are also subject to project review under Section 3.10.

(b) Except for activities relating to site evaluation, no person or governmental entity shall begin construction or operation of any project subject to commission review and approval until such project is approved by the commission.

(c) When projects subject to commission review and approval are sponsored by governmental entities, the commission shall submit recommendations and findings to the sponsoring agency which shall be included in any report submitted by such agency to its respective legislative body or to any committee thereof in connection with any request for authorization or appropriation therefor. The commission review will ascertain the project's compatibility with the objectives, goals, guidelines and criteria set forth in the comprehensive plan. If determined compatible, the said project will also be incorporated into the comprehensive plan if so required by the compact. This part, and every other part of 18 CFR chapter VIII, shall also be incorporated into and made a part of the comprehensive plan.

(d) If any portion of this part, or any other part of 18 CFR chapter VIII, shall, for any reason, be declared invalid by a court of competent jurisdiction, all remaining provisions shall remain in full force and effect.

(e) Except as otherwise stated in this part this part shall be effective on May 11, 1995; provided, however, that noth-

ing in this paragraph shall be deemed to exempt:

(1) Any project which has been or could have been subject to review and approval by the commission under the authority set forth in Section 3.10 of the compact or any prior regulations of the commission; or

(2) Any withdrawal or consumptive use which has been or could have been subject to special standards adopted pursuant to Section 3.4 (2) of the compact.

(f) When any period of time is referred to in this part, such period in all cases shall be so computed as to exclude the first and include the last day of such period. Whenever the last day of any such period shall fall on Saturday or Sunday, or on any day made a legal holiday by the law of the United States, such day shall be omitted from the computation.

(g) Any forms or documents referenced in this part may be obtained from the commission at 1721 N. Front Street, Harrisburg, PA 17102-2391.

§ 803.2 Purposes.

(a) The general purposes of this part are to advance the purposes of the compact and include but are not limited to:

(1) The promotion of interstate comity;

(2) The conservation, utilization, development, management, and control of water resources under comprehensive, multiple purpose planning; and

(3) The direction, supervision and coordination of water resources efforts and programs of federal, state and local governments and of private enterprise.

(b) In addition, §§ 803.42, 803.43 and 803.44 contain the following specific purposes: Protection of public health, safety and welfare; stream quality control; economic development; protection of fisheries and aquatic habitat; recreation; dilution and abatement of pollution; the regulation of flows and supplies of surface and ground waters; the avoidance of conflicts among water users; the prevention of undue salinity; and protection of the Chesapeake Bay.

(c) The objective of all interpretation and construction of this part is to ascertain and effectuate the purposes and the intention of the commission set out in paragraph (b) of this section.
